## Enliven Iona

### Introducing Enliven

Some things make for healthier, happier living, no matter what your age. A sense of community; friends, family, whānau; giving and receiving; making decisions for yourself; and, most of all, practical support when you need it. At Enliven we work alongside you and your family to achieve these things.

**Iona is an Enliven community committed to meeting the individual needs of residents and their families.**

*A New Zealand Ministry of Health certified service.*

### Introducing Iona

Beautifully positioned in large park-like grounds, Iona is very much a part of the Oamaru community. Set back from the main road, residents and families enjoy the accessibility of the location and the peaceful environment.

Iona is also a lively place with community groups, volunteers and visitors calling in to participate in activities such as weekly playgroups, sing-a-longs and special events. The catering and meals offered at Iona are second-to-none in the province and keep visitors coming back again and again.

Rooms at Iona are light, spacious and furnished. You are also welcome to bring your own furnishings and personal items. Most rooms feature ensuites and garden views, and some include direct access to courtyard spaces.

**'Mum loves the buffet breakfast at Iona. For her, the simple action of choosing...helps her feel more in control of her life.'**

Services available at Iona include:

- Hospital level care, accommodation for 37 residents
- Rest home level care, accommodation for 28 residents
- Rest home level dementia care (secure environment), accommodation for 14 residents
- Respite and palliative care

**All residents are supported by 24 hour nursing and medical care.**
