# SPEND TIME WITH A CHILD WHO NEEDS YOUR SUPPORT

Join our programme and make a difference by spending a couple of hours a week with a young person sharing everyday, no or low cost activities.

We offer training, supervision and ongoing support.

We aim to boost children's lives with friendship, fun, encouragement and positive attitudes.

## **Adult Buddies:**

- make a difference for a young person
- share personal interests and experiences
- have some fun

## **Young Buddies:**

- receive regular contact with a trustworthy adult
- have time away from their family environment
- gain experience in new social and community settings
- learn to make positive choices
- have some fun
