HELPING YOU LEARN HEALTHY FINANCIAL AND BUDGETING SKILLS

Have you got money worries? Are your debts piling up? Do you want to gain some new skills to manage your money? **You are not alone.**

Money mates is a peer led group, facilitated by Family Works trained Financial Mentors. Our tailored group will:

- help you understand money, debt, financial products, loans and other money topics
- give you the chance to hear what other people have done in similar situations to you
- assist with access to useful information and resources
- connect you with networks in the community.

Money Mates is held at various locations across Otago. Check out the website for current locations and times **psotago.org.nz**.
