Christmas is just around the corner!

Presbyterian Support

Otago

Message from To

What an extraordinary year this has been. Life for all of us changed in the most unpredictable ways. As we head towards the Christmas season, I have been reflecting on the year just gone. Many people had to reach out for help for the first time in their lives, as jobs were lost or hours reduced. Older people living in our Enliven homes were unable to see their loved ones in person for many weeks. Many of us dealt with feelings of anxiety and uncertainty, especially at the start of the COVID period.

Throughout this challenging time, it has been heartening to see how our staff, volunteers, donors, residents and clients have supported each other. Together, you have created a more resilient community. Although there is always more work to be done, particularly for the vulnerable in our community, I would like to thank you all for the important part you play in improving life for those in need.

I wish you and your loved ones a peaceful, blessed Christmas.

Jo Rowe

CEO Presbyterian Support Otago

Our Stepping Stones clients were delighted to host a special guest visitor this year - Kristie Mortimer, who is the Caroline Plummer Fellow in Community Dance for 2020. This Fellowship was established to commemorate and continue Caroline's passion and vision for dance in the community. Caroline believed in the power of dance in respect to healing, education, cultural understanding and artistic expression.

Kristie spent six weeks at Stepping Stones teaching three different routines to the clients and staff. Clients had the most entertaining time learning new dances and performing in a group setting. Our Supporter Development Manger Jude McCracken went out to see the final performances and observed the pure delight our clients expressed while learning to dance.

In their own words:

"It was really good exercise!" "We have loved dancing with you Kristie" "This could make us a good dance club!"

Stepping Stones is a community service run by Presbyterian Support Otago's Family Works in South Dunedin, promoting mental and social well-being and resilience. The programme puts significant emphasis on connecting participants with people in the community. The group meets six days a week, to create, talk, and connect.

At Presbyterian Support Otago we value our staff and volunteers. Every year we hold special ceremonies to recognize those who have reached a milestone of service, or gained a nationally recognised qualification, and those who have gone above and beyond in their work.

Pictured here are the nominees and winners from our two Wanaka based Enliven homes – Elmslie and Aspiring – at their

joint celebration, which was held in early August, before the second wave of COVID-19.

Ceremonies for our other Enliven homes and PSO worksites had to be held a little later, in the safety of Alert Level 1.

Congratulations to you all and thank you for your commitment to excellence!

PSO Board Members honoured

PSO board member Jessica Palmer (left) was named in September as the Institute of Directors Otago Southland branch emerging director for 2020.

Prof Palmer is also the dean of the University of Otago faculty of law, deputy chairwoman of Knox College and Salmond College, a Wilberforce Foundation trustee and Laidlaw College chairwoman.

The selection panel noted that "she has high standards and a sense of responsibility and duty that will serve her well in the future"

Jessica was humbled to receive the award, and said "I am a firm believer in the importance of sound governance for organisations in order to ensure the mission of an organisation is achieved, that it is done so sustainably, and that staff and customers identify strongly with the organisation and develop a sense of loyalty.

"Knowing that the decisions that I make in my leadership and governance roles affect the experiences of people who interact with the organisations, whether as staff, client or stakeholder,

is a powerful motivator for me. It is a privilege and a great responsibility."

Stephanie Pettigrew (right), who is a partner at Dunedin law firm Marks & Worth and Presbyterian Support Otago deputy chairwoman, was named runner-up for this award.

We are fortunate to have Jessica and Stephanie as members of our Board and we extend our thanks and our warm congratulations to them both!

The very talented Jean is a participant at our Stepping Stones program in Dunedin and has been busy making toys which are given to children at Dunedin Hospital. Thank you so much Jean, these are absolutely adorable and are sure to be a very welcome distraction for children who are not feeling their best!

Somebody didn't get the message about the Level 2 special visiting hours at our long care home in Oamaru!

Recently, a father visited our Family Works offices in Dunedin with his wee daughter,
Genevieve. He told us she was turning one, and that to mark her birthday he wished to gift a big collection of new craft and art items to children in need. We are so happy to be able to give these to children who don't get many or any gifts for their birthday or at Christmas time.

Thank you, Genevieve! What a wonderful way for your Dad to teach you about the joy of giving!

Donate a Bee Card today and help someone in Dunedin...

Get to work, see their doctor or visit a friend.

To choose an amount and donate please visit our website

Christmas is for teenagers too.

This year we are partnering with Rialto Cinemas in Dunedin to send teens to the movies over Christmas.

Every \$10 donated sends a teen to the movies

Teens in families facing financial hardship can often feel left out of Christmas festivities and social events over the summer holidays.

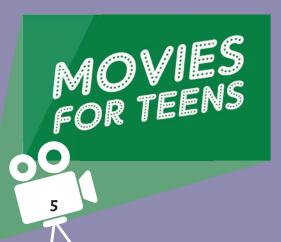

Your \$10 donation will provide an ideal gift for teens this Christmas.
Going to the movies with their friends creates social empowerment and a sense of belonging for teenagers.

We would love your support this year!

All donations to Movies for Teens are used to purchase movie tickets, and our Family Works team will distribute the tickets.

Give a teenager the opportunity to go to the movies this summer!

Donate Online: moviesforteens.org.nz

Would you enjoy the company of a regular visitor to share a chat, an activity or outing with? Are you living alone or don't have access to a car?

An Enliven Visiting Volunteer can stop in regularly to share stories, help you get to an appointment or enjoy a leisure activity together. You and your visitor set your own agenda and simply enjoy the companionship of shared experiences and conversation.

This service covers the Dunedin and Mosgiel areas and our Visiting Volunteers range in age from 18 to 80+ years. Volunteers are mainly retired or semi-retired women, but some are secondary or tertiary students, and a few are men!

Clients of this service are generally older adults aged in their 50s through to their late 80s but there are no age limits!

If you would like to find out more, please call our friendly Visiting Volunteer Coordinator Judy Hayes on 4777 115

Adult Buddies Needed Now!

URGENT! We need more Adult Buddies as we have lots of Young Buddies waiting for a match. To find out more about the Buddy Programme or to inquire about becoming an Adult Buddy, please contact Marco on 4777 116, or visit www.psotago.org.nz/services/families/buddy-programme/

This year we are inviting our Young Buddies to design our PSO Christmas card.

The Buddy Programme, run by
Family Works, provides emotional
and social support to children (Young
Buddies) by matching them with
trained volunteers (Adult Buddies).
Once a week they hang out, usually
for a couple of hours, where Adult
Buddies provide friendship, support,
guidance and encouragement.

Share the love this Christmas!

I hope you will join in helping us make positive changes across our Otago community this Christmas and holiday period.

COVID-19 has brought additional significant challenges for families and people across Otago, who are trying to make sense of the situation they now face – with wage subsidies ending, rents increasing, children still needing to be clothed, cared for and fed. Christmas and the holiday season can bring emotional and financial stress too for those doing it hard, and will be upon us soon.

Your donation this year to our Christmas appeal will not only assist those who face the extra financial burden that the festive season brings, it will also contribute to our ongoing welfare programmes for people young and old across our region.

I hope you have enjoyed reading about our varied programmes and campaigns in this edition of People. Perhaps you'll choose to make a donation of \$10.00 to send a teen to the movies, so they can feel socially equal to their peers; or \$30.00 to fund a Bee Card for a client to give them independence and a means to travel to the wider points of the city. Perhaps you have another amount in mind. Whatever you decide—thank you for your support. We and those we serve are incredibly grateful for it.

Christmas is a time for giving and for thinking of others. Please consider making a donation using the form on this page or visit psotago.org.nz/get-involved/donate to make a donation online.

Thank you for generous support and merry Christmas to you all!

Jude McCracken
Supporter Development Manager

Foodbank goodness

Our Family Works team is gearing up for the Christmas season, making sure that food parcels, hampers and gifts will be ready for those in need across the region.

We know that demand will be high this year and anticipate we'll be working alongside over 250 families to make sure Christmas is a special time.
