

① Cut out main body of bag (x2)

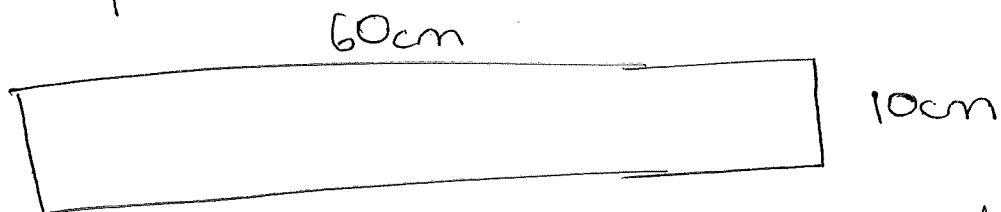

② Sew side seams, right side out.

③ Turn inside out and encase seam by sewing seam again (making it an extra strong seam)

④ Pinch the seams at the bottom cut out area to create a boxed corner. Sew seam right side out, then turn inside out and sew seam again, to create an extra strong seam. Repeat for both corners.

⑤ Cut strips for handles (x2)

⑥ Turn inside out and sew along long side. Then turn right way in end attach to top of bag.
