SCHEDULE OF TERMS

Applicant's acknowledgements and obligations

- 1 The Applicant acknowledges that the Applicant must attend a meeting with the Operator's Village Manager to discuss and clarify any questions the Applicant may have, prior to acceptance of this Application by the Operator.
- 2 Each Applicant, if requested to, must supply a completed Medical Report on the Operator's form prior to acceptance of this Application by the Operator.
- 3 The Applicant must pay the Entry Payment before the Applicant commences occupation of the Unit.
- 4 If this Application is accepted by the Operator, the Applicant must accept the Occupation Right Agreement on the terms set out in it subject to the provisions of the Deed of Supervision.
- 5 The Applicant must pay:
 - 5.1 The Deposit to the trust account of Covenant Trustee Services Limited as statutory supervisor, being the Initial Deposit (and part of the Entry Payment) payable for an Occupation Right Agreement, on signing this Application; and
 - 5.2 The remaining balance of the Entry Payment in accordance with the Occupation Right Agreement.

If this Application does not proceed, the Initial Deposit and any interest accrued will be refunded to the Applicant.

- 6 The Applicant acknowledges that the signing of this Application does not entitle the Applicant to an Occupation Right Agreement for a Unit and that the provision of such an Occupation Right Agreement is at the Operator's sole discretion. The Applicant acknowledges that upon the Operator's acceptance of this Application there is a binding agreement.
- 7 The information collected by the Operator in this Application form is for the purpose of the operation of Wanaka Retirement Village and providing care and services to the Applicant as set out in the Occupation Right Agreement and for no other purpose. The Applicant understands that the Operator will take all reasonable steps to comply with the Privacy Act 1993 and all other legislative requirements. The Applicant is entitled to access the personal information the Operator holds about the Applicant to request correction of that information. The Operator may provide information the Operator holds about the Applicant to the Applicant's doctor and the Operator's professional advisors.
- 8 The Applicant acknowledges the Applicant's right to cancel the Occupation Right Agreement during the "cooling-off" period of 15 working days after the applicant has signed it (as per clause 4 "Cancellation Rights" of the Occupation Right Agreement).
- 9 The Applicant's occupation of the Unit will not commence until the Conditions have been confirmed, the Applicant has paid the Entry Payment and the 15 working days cooling off period has expired.

Covid-19

- 10 *Application conditional:* The Applicant acknowledges and agrees that I/we will provide evidence to the Village that I/we are fully vaccinated against COVID-19, and that I/we have maintained my vaccination status in line with Government recommendations (including any recommended booster vaccines), by the Confirmation Date and also again before I complete settlement of the Occupation Right Agreement of the Unit (or possession date, whichever is earlier).

- 11 *Failure to satisfy conditions: The Applicant acknowledges that this Application is conditional on me/us providing the Village with such evidence of my/our vaccination status satisfactory to the Village. If the Applicant has not provided the Village with such satisfactory evidence of my/our full vaccination status before the Commencement date, then I/we will not be able to move into the Unit and the Village may terminate this Agreement by giving written notice, in which case you will receive a full refund of any deposit paid.*

Pre-settlement procedure

- 12 Following acceptance of this Application by the Operator and prior to the date of settlement, the solicitors acting for the Operator will prepare and submit to the Applicant an Occupation Right Agreement in respect of the Unit on the terms contained in this Application (and in the form given to the Applicant with the Disclosure Statement). Such Occupation Right Agreement must be executed by the Applicant and returned unaltered to the solicitors acting for the Operator at least 15 working days prior to the Confirmation Date or commencement of occupation (whichever is the earlier).

Failure to settle

- 13 If the Applicant does not pay the balance of the Entry Payment payable on the settlement date, the Applicant shall pay interest to the Operator on the balance then outstanding at the rate of interest stipulated in Part A of the Occupation Right Agreement, calculated on a daily basis until settlement is completed in full. Without prejudice to the foregoing, the Operator may serve a Settlement Notice on the Applicant requiring the Applicant to settle on or before the 10th working day after the date of service of the settlement notice, time being of the essence, but without prejudice to any intermediate right of cancellation by either party. If the Applicant does not comply with the terms of the settlement notice then without prejudice to any other rights or remedies available to the Operator, the Operator may sue the Applicant for specific performance or cancel this Application (and the Occupation Right Agreement), and pursue either or both of the following remedies namely:

13.1 Forfeit and retain for the Vendor's own benefit the Initial Deposit paid by the Applicant but not exceeding in all 10% of the Entry Payment; and/or

13.2 Sue the Applicant for damages

Nothing in this clause shall prevent a party from suing for specific performance without giving a settlement notice.

Conditional application

- 14 If any Conditions are specified in the table above, then this Application is conditional on confirmation of those Conditions.
- 15 The Conditions shall be conditions subsequent to this Application, and the Applicant shall do all things which may be reasonably necessary to enable the Conditions to be fulfilled in timely fashion. Time for fulfilment of any condition shall be of the essence.
- 16 If the Conditions are not all confirmed before the Confirmation Date, then this Application shall be voidable at the option of either the Applicant or the Operator.
- 17 If before this Application becomes unconditional the Operator receives an acceptable offer from a third party to occupy the Unit, then the Operator may serve on the

Applicant a notice requiring the Applicant to advise within 5 working days after service of the notice whether all Conditions for the benefit of the Applicant have been satisfied or waived. If the Applicant does not notify the Operator within the period set out above that the above matters have all been satisfied and that this Application is accordingly unconditional, then this Application will immediately terminate.
